

Touch Grid Heros Named

City Champs for the City of Torrance in the Touch Football league were determined this last Saturday in the following divisions: Bantam League, Pee Wee League, and the Midget League.

In the semi finals in the Bantam League, McMaster Park edged out Waleria 7-6. Waleria Park scored first with Mike Berry carrying it over from the six on a beautiful cross back. In the second semi final game, Bantam league, El Retiro beat Sea-Aire 24-6. Rangy Lloyd Harline was the big gun in this game. He passed to Bob Fisher from the 7 yard line for the first score, who carried it over left end.

In the semi finals, Pee Wee Division, the Waleria Park team met the El Retiro gridders at McMaster Park only to lose 26-0. The first score came on a pass play from Richard Florence to Robert Manning. Al Walde carried it for the extra point. Florence scored again in the second quarter from 10 yards on a beautiful run around his left end. Florence passed to Glenn Weyer in the third quarter from 15 yards out and a Florence to Weyer pass from 25 yards out closed the evening's scoring. In the second game, McMaster throt-

ted Sea-Aire Park 34-0. Jeff Bell, Cary Hubert, Mike Jacobs, Skip Mooney and Pat Mahoney made shambles of the Southsiders.

McMaster Park traveled to Waleria Park to play the Central Torrance Champs and beat them 32-0. Again it was Hubert, Mooney and Bell. The first score was on a Hubert to Mooney pass play that covered 12 yards. The second score was on a Bell to Hubert pass play. The fourth score was on Hubert to Bell pass play and the final tally was on a Hubert to Mooney pass play.

In the championship game in this division, McMaster played E. Retiro to standstill but eked out a 13-0 win. El Retiro scored first when Richard Florence passed on Al Walte for a tally that covered 34 yards. It looked like El Retiro had the crown when McMaster Park gained possession of the ball with but 30 seconds left. It was the fourth down and 10 yards to go when Hubert passed to Mooney for what was the outstanding play of the game. Mooney was covered by two defenders and he came down hard with the ball and the first down. With 20 seconds left Hubert passed to Peff Bell for the tying score. Hubert passed

to Mooney for the extra point to go ahead. With but nine seconds left in the game, El Retiro took the air in desperation. Bell intercepted and streaked 30 yards for the final score and the City Crown.

In the Midget league Waleria lost to Torrance Park 15-0 in the semi finals. Howard Barber, Bill O'Brien, Terry Greason and Dick Coburn played stellar ball for Torrance Park. Barber intercepted a Waleria pass and ran 20 yards for the first score. O'Brien raced back a punt return 25 yards for the second tally and Coburn caught a Waleria lad behind his own goal line for a safety.

This same team traveled to McMaster Park to play McMaster for the championship. Torrance scored first when Bill O'Brien returned a McMaster punt 20 yards—no conversion. Shortly after this McMaster's Darcy Hardeman passed to Floyd Brumett for the equalizer—no conversion. In the second quarter, McMaster caught Torrance Park deep in the latter's territory. McMaster gave a might rush to Bill Barber and as he fumbled the ball rolled over the goal line and McMaster recovered. This proved to be the winning TD.

PLACES FIFTH . . . R. E. Moffitt, 2724 Arlington Ave., placed fifth in the Las Vegas Golden Nugget's sixth annual deer hunting contest. Moffitt is shown with his prize winner.

The touchdown for the A9 team was made by Wheeler on a pass thrown by Darrel Bollen. The touchdown for the B9 team was made by Mike Allegria on a pass from Espalain.

Thirty-six TORRANCE HERALD DECEMBER 12, 1957

City May Use Sump For Fields

Possibility of using some of the city's sump areas for Little League and Babe Ruth baseball field was considered by the council this week on the request of officers of the American Little League and the Pacific-American Babe Ruth League.

In a letter to the council, John Schnepf, president of the American Little League, and Pierce Venable, president of the Pacific-American Babe Ruth League, asked that the city aid them in finding a suitable playing area to provide facilities for boys living south of Torrance Blvd. and west of Crenshaw.

"As you know, during the formative years of boys in this age group, proper guidance will keep them from appearing before our juvenile courts and save taxpayers untold dollars," the League officers wrote.

Councilman Willys G. Blount, who has been active in Little League and Babe Ruth baseball in the area, suggested the sump sites and ask that the city's recreation department look into the matter. A report is due back within 30 days.

Sam Barry Tourney Draws 16 Jaycees

El Camino College will be among the 16 junior colleges participating in the eighth annual Sam Barry Tournament at Glendale College Dec. 26, 27, 28, and 30.

include, in addition to El Camino, Pasadena, Ventura, East Los Angeles, Fresno, Pierce, Long Beach City College, Santa Monica, Compton, Redley, Los Angeles Valley, Bakersfield, Fullerton, Los Angeles Harbor, and Glendale.

The late Justin McCarthy (Sam) Barry, cage mentor at the University of Southern California for 17 years, is well remembered by basketball fans throughout the nation for his exceptional promotion and coaching of basketball.

It was Sam Barry who originated the idea of eliminating the center jump after each basket was made. Also, "Elevator Sam" was one of those who advocated the ten-second rule in bringing the ball across center court.

During his 17 years at USC his teams won five southern division titles and three Pacific Coast Conference Crowns.

Joint sponsors of the tournament are the Glendale Kiwanis Club, Glendale Parks and Recreation Division, and Glendale College. The tournament will consist of a championship and a consolation round, guaranteeing each team entered two games. The presentation of awards ceremony will be held on the final night of play.

All proceeds will go to the Kiwanis Underprivileged Children Fund.

But for those who want to try out new bowling balls and other bowling equipment left under the tree by St. Nick, the lanes will be open Christmas Day, starting at 10 a.m.
